Dear Paul:

NPIC would be pleased to participate in your proposed [REDACTED] Executive Orientation Program.

25X

I would envisage a schedule which includes a greeting/overview from me or a senior member of my staff, followed by presentations of approximate equal length in my Imagery Exploitation, Production Services, and Technical Services Groups. This schedule should require no more than one day.

I am assuming that product access is one of the things you will consider before deciding which of your officers is to visit NPIC during his orientation. As you know, restricted briefings are difficult for us to give, and are not likely to be of value to a GS-15 level recipient. In those cases where access is an insurmountable problem, I would seek to substitute a one-hour briefing at a time and place of your choosing for the schedule I have proposed above.

Sincerely,

[REDACTED]
